Division of Genitourinary Medical Oncology*

Scan to access **interactive agenda** with links to speaker profiles and genitourinary cancer physician resources.

Objectives:

After participating in this educational programs, learners should be able to:

- Explain emerging systemic therapies for bladder, kidney, and prostate cancers
- Highlight the rapid entry of novel agents into the non-muscle invasive bladder cancer treatment space
- Discuss the newest data and evolving approaches in radiation oncology for localized and advanced genitourinary malignancies

INTENDED AUDIENCE

The program is designed for medical, surgical, and radiation oncologists; urologists; radiologists; primary care physicians; fellows; residents; nurses; and other healthcare providers.

ACCREDITATION STATEMENT

The Temple Health Office for Continuing Medical Education is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians.

DESIGNATION STATEMENT

The Temple Health Office for Continuing Medical Education designates this live activity for a maximum of **2 AMA PRA Category 1 Credits™**. Physicians should only claim the credit commensurate with the extent of their participation in the educational activity.

INQUIRIES

Lucía Tono, PhD, MEd

Agenda

5:45–7:00 PM

Exhibitors, Registration & Reception

Exhibit Hall (Buffet opens at 6:30)

7:00–7:10 PM

Welcome & Overview

Alexander Kutikov, MD, FACS, and **Fern M. Anari, MD**

7:10–7:25 PM

Updates in Non-Muscle Invasive Bladder Cancer (NMIBC)

Andres F. Correa, MD

*Associate Professor & Director of Research,
Department of Urology*

Fox Chase – Temple Urologic Institute Provider

7:25–7:40 PM

Evolving Evidence in Radiation Oncology

Randi Cohen, MD, MS

Associate Professor, Department of Radiation Oncology

*Director of Radiation Oncology,
Fox Chase Cancer Center – East Norriton*

7:40–7:55 PM

Peri-operative Muscle-Invasive Bladder Cancer (MIBC) management

Andre Kydd, MD, PhD

*Assistant Professor, Department of Hematology/Oncology,
Division of Genitourinary Medical Oncology*

7:55–8:10 PM

Updates in Metastatic Castration-Resistant Prostate Cancer (mCRPC)

Matthew R. Zibelman, MD

*Associate Professor, Department of Hematology/Oncology,
Division of Genitourinary Medical Oncology
Director of Clinical and Translational Research, GU Service Line*

8:10–8:25 PM

Advanced Renal Cell Carcinoma (RCC) Management

Pooja Ghatalia, MD

*Associate Professor, Department of Hematology/Oncology,
Division of Genitourinary Medical Oncology*

8:25–9:00 PM

Panel Discussion/Closing Remarks
