

37th Annual Primary Care Summer Conference

September 19, 2020
Live Streaming Virtual Event
San Diego, California

Educational Objectives

After attending this live internet activity, participants should be able to:

- Integrate current trends in preventive health care into patient care strategies.
- Employ new collaborative care team strategies that enhance the prevention, diagnosis and management of various medical conditions encountered in the office practice.
- Effectively discuss with patients their personal responsibilities in prevention and treatment.
- Access and/or recommend resources for both physicians and patients to acquire additional information pertinent to a range of therapeutic areas.
- Manage the specialist referral process: assess when to refer, recognize what the specialized treatment will consist of, and determine the role of the primary care physician in cohesive care and follow-up.

Helpful Information

- For best results, use **Google Chrome or FireFox** when participating in the virtual course
- The **virtual course will track your participation** time to confirm CME credit eligibility
- Use the **“Ask a Question” button** during sessions to connect with faculty
- Be sure to **check out the virtual exhibit hall** and connect with our vendors
- **Connect with colleagues** and exhibitors in the networking rooms during break time
- **Course materials, exhibit information, attendee contact information, and lecture recordings** will be posted in the conference app for access after the live event

Download the Scripps CME App

Download Instructions:

- **iPhone** - Search for Scripps Health CME on the iTunes App Store
- **Android** - Search for Scripps Health CME on Google Play

To access the mobile site using a web browser:

- **Visit** - <http://www.grupio.com/PCM2020>
- **Password** - PCM2020

App User Guide:

- **Can be found** under the CME & Helpful Info tab in the app

Cultural and Linguistic Competency (AB 1195)

This activity is in compliance with California Assembly Bill 1195, which requires that all CME activities comprising a patient care element include curriculum addressing the topic of cultural and linguistic competency. The intent of this bill is to ensure that health care professionals are able to meet the cultural and linguistic concerns of a diverse patient population through effective and appropriate professional development. The planners, speakers and authors of this CME activity have been encouraged to address issues relevant in their topic area.

A variety of resources are available that address cultural and linguistic competency, some of which can be found in the Cultural & Linguistic Competency Resource Guide under the CME & Helpful Info section in the mobile conference app.

- Scripps designates this live activity for a **maximum of 4 AMA PRA Category 1 Credit(s)[™]**
- Scripps will e-mail you a link to the conference evaluation the Monday after the conference has concluded. You will need to complete the evaluation in order to receive credit for attending this conference.
- At the conclusion of the evaluation you will be asked to submit the hours of credit you are claiming for this conference and will then be redirected to your CME Certificate. Please print the certificate and retain for your personal records.
- The evaluation will only be available for four weeks after the conference. You must complete the online evaluation by **October 18, 2020**.
