

A COMPLETE SOLUTION FOR YOUR EQUIPMENT AND SERVICE NEEDS

KARL STORZ PROMISE₁

Introducing PROMISE₁ — Efficiency Made Simple

When it comes to your OR, knowledge is power. Device usage, breakage, procedural delays—that's all valuable information with direct bearing on cost, efficiency, and overall patient care. Through our PROMISE₁ program, KARL STORZ helps collect and analyze that data to find opportunities that reduce your perioperative costs and drive operational efficiencies.

Additional benefits of the program:

- KARL STORZ equipment with service coverage
- Expert on-site team, 24/7 expertise
- Equipment management
- Improved staff and surgeon satisfaction

KARL STORZ—ENDOSKOPE

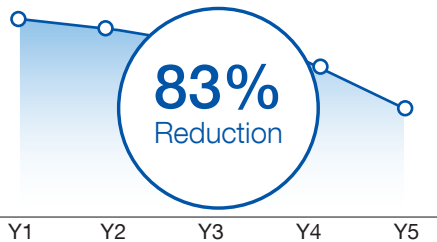

A COMPLETE SOLUTION FOR YOUR EQUIPMENT AND SERVICE NEEDS

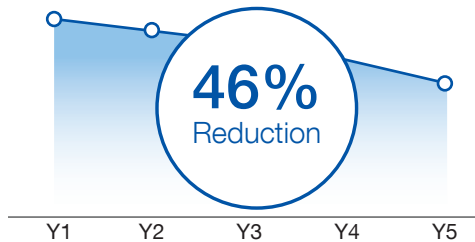

Availability, Reliability, and Efficiency

When you partner with KARL STORZ, you gain expert service and meaningful data that can help streamline operations, lower repair frequency, and increase overall satisfaction. Our full-service PROMISE₁ program offers KARL STORZ equipment along with service coverage, while providing a team of on-site Surgical Operational Efficiency Specialists. For a fixed fee-per-procedure the PROMISE₁ program provides complete support for any MIS procedure and all MIS equipment, including non-KARL STORZ equipment.

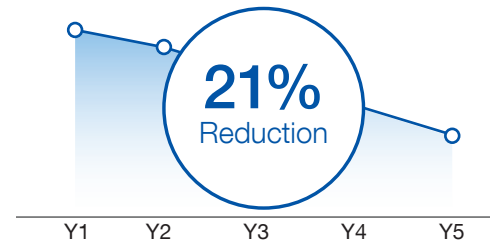

Disposable Device Spend

Flexible Endoscope Repair Spend

Robotic Endoscope Repair Spend

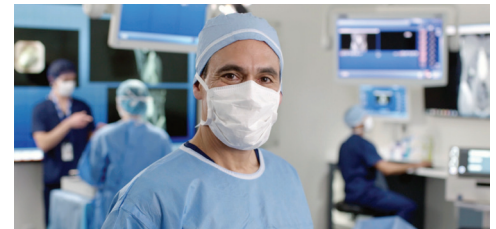

Note: This data represents a facility enrolled in the PROMISE₁ program.

Expert Service

Our certified efficiency specialists manage a full range of instruments, including robotics, and provide reliable support for any manufacturer's equipment.

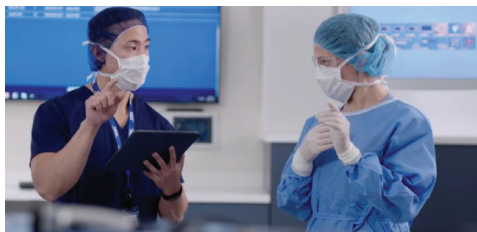

Meaningful Data

Our analysts combine your procedural data, the usage of any manufacturer's equipment usage and repair data, and EHR data to provide a tailored, analytical approach that provides comprehensive insights.

The efficiency in the OR, the availability of the instruments, the reliability of the instruments all improved dramatically, so that's been the biggest plus for us.

— Physician (PROMISE₁ Customer)

Streamlined Operations

Our program applies proven processes that reduce waste and improve quality where it matters, resulting in a consistent clinical experience with decreased costs.

Increased Satisfaction

Your surgeons and staff will enjoy the peace of mind that comes from enhanced quality and safety and our around-the-clock expert support.

It is recommended to check the suitability of the product for the intended procedure prior to use.
