

# 8th Annual **Comprehensive Hematology & Oncology** Review Course

Friday, September 22 –  
Monday, September 25, 2017

W Hotel, Seattle, WA

Register online  
**[SeattleCCA.org/cme](http://SeattleCCA.org/cme)**

**Seattle  
Cancer Care  
Alliance**

Fred Hutch • Seattle Children's • UW Medicine

## Course description

This 3.5-day program will cover data supporting guidelines, recommendations, and recent advances regarding therapeutic options for patients with solid tumors and hematologic disorders. At the end of the course, physicians will leave with a comprehensive syllabus, a self-assessment, and a deeper understanding of the pathogenesis, diagnostic evaluation, and therapeutic modalities available for a breadth of solid tumors as well as hematologic disorders. There will be a case-based review session and discussions. The course is designed to help prepare you for certifying and re-certifying exams as applicable.

## Learning objectives

Upon completion of this activity, attendees should be able to:

- Describe the pathogenesis, diagnostic evaluation, and therapeutic modalities available for common benign and malignant hematologic diseases.
- Describe the pathogenesis, diagnostic evaluation, and therapeutic modalities available for common solid tumor malignancies.
- Integrate guideline-based treatments into clinical practice while personalizing care appropriately for the patient.
- Integrate new therapeutic and diagnostic approaches into clinical practice as appropriate.

## Intended audience

The target audience for this activity will be physicians and allied health professionals with a hematology/oncology focus who desire a review and update in current standards of care for patients. The course will be helpful to those preparing for certification or re-certification.

## Conference location & lodging

**W Seattle Hotel, 1112 4th Avenue, Seattle, WA 98101**

A room block has been made for the course with a special conference rate of \$249 (single or double occupancy) plus applicable taxes at the W Seattle Hotel. To reserve your room, please visit: [SeattleCCA.org/cme](http://SeattleCCA.org/cme) for a link to the conference website and see the “Conference Location & Lodging” section. This rate is available until August 25, 2017.

In addition to valet-only parking offered at the W Seattle Hotel, there are multiple alternative garages in the area around the hotel. Up to date parking options will be sent to attendees prior to the conference.

## CME/CE credit designation statement

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 32 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## New this year! Maintenance of Certification (MOC) credits

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 32 MOC points [and patient safety MOC credit] in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**UW Medicine**  
UW SCHOOL  
OF MEDICINE

**Seattle Cancer Care Alliance** brings together the leading research teams and cancer specialists of Fred Hutch, Seattle Children’s, and UW Medicine. One extraordinary group whose sole mission is the pursuit of better, longer, richer lives for our patients.

## Course co-chairs

### Ryan Cassaday, MD

Assistant Professor, Department of Medicine, University of Washington  
Assistant Member, Clinical Research Division, Fred Hutch  
Attending Physician, Hematologic Malignancies Program, Seattle Cancer Care Alliance

### Andrew L. Coveler, MD

Assistant Professor, Department of Medicine, University of Washington  
Assistant Member, Clinical Research Division, Fred Hutch  
Attending Physician, GI Program, Seattle Cancer Care Alliance

## Guest faculty

### Aaron Gerds, MD

Cleveland Clinic

### Tiffany A. Traina, MD

Memorial Sloan Kettering Cancer Center

## University of Washington, Fred Hutch and Seattle Cancer Care Alliance faculty

Bimpe O. Adesina, MD
