

TELE PACK+ COMPACT ENDOSCOPY FOR ENT

Enabling Anywhere Care – The All-in-One Diagnostic and Procedural Platform for Endoscopy

The TELE PACK+ can help you achieve your “quadruple aim” focus through:

- Aids physicians in the early diagnosis and intervention – an all-in-one platform for multiple diagnostic and therapeutic endoscopic procedures, including Stroboscopy and FEES
- Greater patient satisfaction – integrated recording and playback enhances patient and family education
- Improved clinician experience – a brilliant, brighter, high-contrast image via a large HD display
- Lower costs through a single unit that accommodates rigid endoscopes, flexible videoscopes, and single-use endoscopes
