

BD[®] Clinical Connect

Product Training and Education Program

Core

Live Virtual Product Training for BD Urological Drainage Products

The BD Acute Care clinical team is dedicated to providing up to date product training for clinicians with more options to fit your schedule.

Attend virtual product training with a live registered nurse who will go over the directions for use and complete a product demonstration.

Visit <https://bdacutecare.bcst.md/live-virtual-training/>
or scan QR code for training schedule and registration.
