

BD[®] Clinical Connect

Product Training and Education Program

Core

BD[®] Acute Academy

Product training and education plays an important role in reducing risk factors for catheter-associated urinary tract infections (CAUTIs). The BD Acute Urology clinical team is dedicated to providing up-to-date BD product training and clinician education with many options to fit your schedule and hospital initiatives.

All courses are live, interactive, and taught by a registered nurse.

Visit <https://bdacutecare.bcst.md/live-virtual-training/>
or scan QR code for training schedule and registration.

Scan here for training schedule and registration.
