# KARL STORZ Extended Length Laparoscopy Container System

## Protect Your Laparoscopic Instrument Investment

The KSZ-27717D Sterilization Container System is designed to house your KARL STORZ laparoscopic instruments through transport, sterilization and storage. It offers cost-effective, hassle-free sterilization for your valuable laparoscopic instrument investment. KARL STORZ sterilization systems are made from aircraft-grade anodized aluminum to prevent pitting and corrosion. They also help eliminate the need for blue sterilization wrap, while saving time and money.
