KARL STORZ FESS Instrument Set Container System

Protect Your FESS Instrument Investment

The KSZ-39312FESS Sterilization Container System is designed to house your KARL STORZ FESS instruments through transport, sterilization and storage. It offers cost-effective, hassle-free sterilization for your valuable FESS instrument investment. KARL STORZ sterilization systems are made from aircraft-grade anodized aluminum to prevent pitting and corrosion. They also help eliminate the need for blue sterilization wrap, while saving time and money.
