

PROTECT YOUR VIDEO EQUIPMENT AND BUDGET WITH VIDEOCARE

More Care, Less Worry

KARL STORZ understands that Video equipment is essential to an operating room and heavily relied on for successful surgeries. Unfortunately, typical wear and tear, mishandling, and lack of maintenance can result in components that break down and need repair. You can rest assured with VideoCare, a comprehensive solution to address your Video equipment repair needs without breaking the budget.

With a VideoCare Service Agreement, we've got you covered:

- Unlimited service on Video equipment over a 3-year term
- Predictable, low monthly payments, making high-quality OEM service affordable
- Less time and effort spent on administrative tasks

PROTECT YOUR VIDEO EQUIPMENT AND BUDGET WITH VIDEOCARE

More Care, Less Worry

How affordable is VideoCare?

- Service cost is only a fraction of the overall cost of your new Video equipment and is balanced evenly over 3 years
- You get significant discounts for signing up at point-of-sale, freeing your budget to spend elsewhere
- VideoCare is half the price of a traditional KARL STORZ Comprehensive Service Agreement

Ask us about our financing options!

Instantly get new Video equipment with **VideoCare** service coverage and pay over time.

Why choose between saving money and convenience?

VideoCare gives you the best of both worlds! Take advantage of unlimited repairs at significantly lower costs, plus all the benefits of a service agreement including peace of mind, predictable repair spend, and administrative ease. VideoCare makes it easy to protect the critical equipment you depend on every day.

Video equipment eligible for VideoCare includes, but is not limited to:

AIDA

Camera Heads

Monitors

Insufflators

Camera Control Units

Light Sources

TELEPACK+

Smoke Evacuation

It is recommended to check the suitability of the product for the intended procedure prior to use.
Please note that the described products in this medium may not be available yet in all countries due to different regulatory requirements.
